|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | REF3325ATDD1                                                                                                         |
| Manufacturer/Brand: | N/A                                                                                                                  |
| Product description | IC VREF SERIES 2.5V                                                                                                  |
| Datasheets:         |                                                                                                                      |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

REQUEST FOR QUOTATION

Specifications of REF3325ATDD1

|                                  |                                            |
|----------------------------------|--------------------------------------------|
| PART NUMBER                      | REF3325ATDD1                               |
| MANUFACTURER                     | N/A                                        |
| DESCRIPTION                      | IC VREF SERIES 2.5V                        |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant         |
| DATA SHEET                       |                                            |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 2.5V                                       |
| VOLTAGE - INPUT                  | 2.7 V ~ 5.5 V                              |
| TOLERANCE                        | ±0.15%                                     |
| TEMPERATURE COEFFICIENT          | 30ppm/°C                                   |
| SUPPLIER DEVICE PACKAGE          | Die                                        |
| SERIES                           | -                                          |
| REFERENCE TYPE                   | Series                                     |
| PACKAGING                        | Tube                                       |
| PACKAGE / CASE                   | Die                                        |
| OUTPUT TYPE                      | Fixed                                      |
| OPERATING TEMPERATURE            | -                                          |
| NOISE - 10HZ TO 10KHZ            | -                                          |
| NOISE - 0.1HZ TO 10HZ            | 70µVp-p                                    |
| MOUNTING TYPE                    | -                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                              |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant         |
| DETAILED DESCRIPTION             | Series Voltage Reference IC ±0.15% 5mA Die |
| CURRENT - SUPPLY                 | 8.5µA                                      |
| CURRENT - OUTPUT                 | 5mA                                        |
| BASE PART NUMBER                 | REF3325                                    |
