| DESCRIPTION                      | IC MCU 8BIT 28KB FLASH 40QFN                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                               |
| DATA SHEET                       | <a href="#">PDF 1.PIC16F18876-I/ML.pdf</a><br><a href="#">PDF 2.PIC16F18876-I/ML.pdf</a> |
| VOLTAGE - SUPPLY (VCC/VDD)       | 2.3 V ~ 5.5 V                                                                            |
| SUPPLIER DEVICE PACKAGE          | 44-QFN (8x8)                                                                             |
| SPEED                            | 32MHz                                                                                    |
| SERIES                           | PIC® XLP™ 16F                                                                            |
| RAM SIZE                         | 2K x 8                                                                                   |
| PROGRAM MEMORY TYPE              | FLASH                                                                                    |
| PROGRAM MEMORY SIZE              | 28KB (16K x 14)                                                                          |
| PERIPHERALS                      | Brown-out Detect/Reset, POR, PWM, WDT                                                    |
| PACKAGING                        | Tube                                                                                     |
| PACKAGE / CASE                   | 44-VQFN Exposed Pad                                                                      |
| OSCILLATOR TYPE                  | Internal                                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                        |
| NUMBER OF I/O                    | 36                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                               |
| EEPROM SIZE                      | 256 x 8                                                                                  |
| DETAILED DESCRIPTION             | PIC PIC® XLP™ 16F Microcontroller IC 8-Bit 32MHz 28KB (16K x 14) FLASH 44-QFN (8x8)      |
| DATA CONVERTERS                  | A/D 35x10b, D/A 1x5b                                                                     |
| CORE SIZE                        | 8-Bit                                                                                    |
| CORE PROCESSOR                   | PIC                                                                                      |
| CONNECTIVITY                     | I²C, LINbus, SPI, UART/USART                                                             |
