| MANUFACTURER                     | STMicroelectronics                                                                                               |
| DESCRIPTION                      | IC SLIC 44TQFP                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                       |
| DATA SHEET                       |  <a href="#">STLC3080.pdf</a> |
| VOLTAGE - SUPPLY                 | 4.75 V ~ 5.25 V                                                                                                  |
| SUPPLIER DEVICE PACKAGE          | 44-TQFP                                                                                                          |
| SERIES                           | -                                                                                                                |
| POWER (WATTS)                    | 1.1W                                                                                                             |
| PACKAGING                        | Tray                                                                                                             |
| PACKAGE / CASE                   | 44-LQFP                                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                     |
| NUMBER OF CIRCUITS               | 1                                                                                                                |
| MOUNTING TYPE                    | Surface Mount                                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                       |
| INTERFACE                        | -                                                                                                                |
| INCLUDES                         | Automatic Activation Mode, BORSCHT Functions, Ring Trip Detection, Slave Mode                                    |
| FUNCTION                         | Subscriber Line Interface Concept (SLIC)                                                                         |
| DETAILED DESCRIPTION             | Telecom IC Subscriber Line Interface Concept (SLIC) 44-TQFP                                                      |
| CURRENT - SUPPLY                 | 5.5mA                                                                                                            |
| BASE PART NUMBER                 | STLC3080                                                                                                         |
