LA1781M-MPB-E

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | LA1781M-MPB-E                                                                                                |
| Manufacturer/Brand: | AMI Semiconductor / ON Semiconductor                                                                         |
| Product description | IC ANALOG CAR RADIO TUNER 64QFP                                                                              |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of LA1781M-MPB-E

|                                  |                                            |
|----------------------------------|--------------------------------------------|
| PART NUMBER                      | LA1781M-MPB-E                              |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor       |
| DESCRIPTION                      | IC ANALOG CAR RADIO TUNER 64QFP            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                 |
| DATA SHEET                       |                                            |
| SUPPLIER DEVICE PACKAGE          | 64-QIPE (14x14)                            |
| SERIES                           | -                                          |
| SECONDARY ATTRIBUTES             | -                                          |
| RF TYPE                          | AM, FM                                     |
| PACKAGING                        | Tray                                       |
| PACKAGE / CASE                   | 64-BQFP                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                 |
| FUNCTION                         | AM, FM, Tuner                              |
| FREQUENCY                        | -                                          |
| DETAILED DESCRIPTION             | RF IC AM, FM, Tuner AM, FM 64-QIPE (14x14) |
