| DESCRIPTION                       | IC OPAMP GP 1.2MHZ RRO 14SO                                                                            |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                             |
| DATA SHEET                        |  LT1639HS#TRPBF.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.5 V ~ 44 V, ±1.25 V ~ 22 V                                                                           |
| VOLTAGE - INPUT OFFSET            | 300µV                                                                                                  |
| SUPPLIER DEVICE PACKAGE           | 14-SO                                                                                                  |
| SLEW RATE                         | 0.4 V/µs                                                                                               |
| SERIES                            | Over-The-Top®                                                                                          |
| PACKAGING                         | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                    | 14-SOIC (0.154", 3.90mm Width)                                                                         |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                           |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                          |
| NUMBER OF CIRCUITS                | 4                                                                                                      |
| MOUNTING TYPE                     | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                          |
| MANUFACTURER STANDARD LEAD TIME   | 12 Weeks                                                                                               |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                             |
| GAIN BANDWIDTH PRODUCT            | 1.2MHz                                                                                                 |
| DETAILED DESCRIPTION              | General Purpose Amplifier 4 Circuit Rail-to-Rail 14-SO                                                 |
| CURRENT - SUPPLY                  | 205µA                                                                                                  |
| CURRENT - OUTPUT / CHANNEL        | 40mA                                                                                                   |
| CURRENT - INPUT BIAS              | 20nA                                                                                                   |
