Specifications of E2E-C03N02-WC-C2 2M

|                                  |                                                                 |
|----------------------------------|-----------------------------------------------------------------|
| PART NUMBER                      | E2E-C03N02-WC-C2 2M                                             |
| MANUFACTURER                     | Omron Automation & Safety                                       |
| DESCRIPTION                      | DIA 3MM 2MM PW NPN NC                                           |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                              |
| DATA SHEET                       |                                                                 |
| VOLTAGE - SUPPLY                 | 10 V ~ 30 V                                                     |
| TERMINATION STYLE                | Cable Leads                                                     |
| SHIELDING                        | Unshielded                                                      |
| SERIES                           | E2E                                                             |
| SENSOR TYPE                      | Inductive                                                       |
| SENSING DISTANCE                 | 0.079" (2mm)                                                    |
| RESPONSE FREQUENCY               | 3.5kHz                                                          |
| PACKAGE / CASE                   | Cylinder                                                        |
| OUTPUT TYPE                      | NPN-NC, 3-Wire                                                  |
| OTHER NAMES                      | E2E-C03N02-WC-C2 2M-ND<br>E2E-C03N02-WC-C22M<br>E2EC03N02WCC22M |
| OPERATING TEMPERATURE            | -25°C ~ 70°C                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                   |
| MATERIAL - BODY                  | Stainless Steel                                                 |
| MANUFACTURER STANDARD LEAD TIME  | 15 Weeks                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                              |
| INGRESS PROTECTION               | IP67                                                            |
| INDICATOR                        | LED                                                             |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor 0.079" (2mm) IP67 Cylinder           |
