| DESCRIPTION                      | IC VREF SERIES 2.048V TSOT23-5                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| DATA SHEET                       |  <a href="#">ADR360AUJZ-REEL7.pdf</a> |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 2.048V                                                                                                                   |
| VOLTAGE - INPUT                  | 2.35 V ~ 15 V                                                                                                            |
| TOLERANCE                        | ±0.29%                                                                                                                   |
| TEMPERATURE COEFFICIENT          | 25ppm/°C                                                                                                                 |
| SUPPLIER DEVICE PACKAGE          | TSOT-5                                                                                                                   |
| SERIES                           | -                                                                                                                        |
| REFERENCE TYPE                   | Series                                                                                                                   |
| PACKAGING                        | Cut Tape (CT)                                                                                                            |
| PACKAGE / CASE                   | SOT-23-5 Thin, TSOT-23-5                                                                                                 |
| OUTPUT TYPE                      | Fixed                                                                                                                    |
| OTHER NAMES                      | ADR360AUJZ-REEL7CT                                                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                                                                       |
| NOISE - 10HZ TO 10KHZ            | -                                                                                                                        |
| NOISE - 0.1HZ TO 10HZ            | 6.8μVp-p                                                                                                                 |
| MOUNTING TYPE                    | Surface Mount                                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                            |
| MANUFACTURER STANDARD LEAD TIME  | 15 Weeks                                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| DETAILED DESCRIPTION             | Series Voltage Reference IC ±0.29% 5mA TSOT-5                                                                            |
| CURRENT - SUPPLY                 | 190μA                                                                                                                    |
| CURRENT - OUTPUT                 | 5mA                                                                                                                      |
