

Analog Devices Inc.

Image may be representation. See specifications for product details.

Part Number: ADSP-3PARCBF548M01

Manufacturer/Brand: Anaren

Product description: MODULE BOARD BF548

Datasheets: [1.ADSP-3PARCBF548M01.pdf](#)  
[2.ADSP-3PARCBF548M01.pdf](#)

RoHs Status:  Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

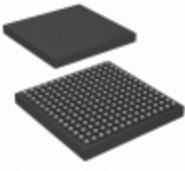

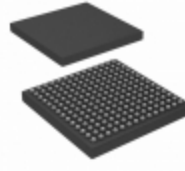

Specifications of ADSP-3PARCBF548M01

|                                  |                                                                                      |

| SIZE / DIMENSION                 | 2.24" x 2.64" (56.9mm x 67mm)                                                        |
| SERIES                           | Blackfin®                                                                            |
| REVERSE RECOVERY TIME (TRR)      | 533MHz                                                                               |
| RAM SIZE                         | 32MB                                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                         |
| OPERATING SYSTEM                 | BF548                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                        |
| MANUFACTURER PART NUMBER         | ADSP-3PARCBF548M01                                                                   |
| FLASH SIZE                       | -                                                                                    |
| EXPANDED DESCRIPTION             | Blackfin® Embedded Module BF548 533MHz 64MB 32MB                                     |
| EDITION                          | MPU Core                                                                             |
| DESCRIPTION                      | MODULE BOARD BF548                                                                   |
| CORE SIZE                        | 64MB                                                                                 |
| CONNECTOR TYPE                   | SO-DIMM-200                                                                          |
