| VOLTAGE - SUPPLY                 | 6 V ~ 16 V                                                                                                                 |
| SERIES                           | CSDA                                                                                                                       |
| SENSOR TYPE                      | Current Switch                                                                                                             |
| SENSITIVITY                      | -                                                                                                                          |
| RESPONSE TIME                    | 100μs                                                                                                                      |
| POLARIZATION                     | Bidirectional                                                                                                              |
| PACKAGING                        | Bulk                                                                                                                       |
| PACKAGE / CASE                   | Module, Single Pass Through                                                                                                |
| OUTPUT                           | NPN                                                                                                                        |
| OPERATING TEMPERATURE            | -25°C ~ 85°C                                                                                                               |
| NUMBER OF CHANNELS               | 1                                                                                                                          |
| MOUNTING TYPE                    | Through Hole                                                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                              |
| MANUFACTURER STANDARD LEAD TIME  | 14 Weeks                                                                                                                   |
| LINEARITY                        | -                                                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                 |
| FREQUENCY                        | -                                                                                                                          |
| FOR MEASURING                    | AC/DC                                                                                                                      |
| DETAILED DESCRIPTION             | Current Sensor 1A 1 Channel Current Switch Bidirectional Module, Single Pass Through                                       |
| CURRENT - SUPPLY (MAX)           | 12mA                                                                                                                       |
| CURRENT - SENSING                | 1A                                                                                                                         |
| ACCURACY                         | ±0.5%                                                                                                                      |
