| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                          |
| TYPE                             | Transceiver                                                            |
| SUPPLIER DEVICE PACKAGE          | 24-SOIC                                                                |
| SERIES                           | -                                                                      |
| RECEIVER HYSTERESIS              | 500mV                                                                  |
| PROTOCOL                         | RS232                                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                       |
| PACKAGE / CASE                   | 24-SOIC (0.295", 7.50mm Width)                                         |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                             |
| NUMBER OF DRIVERS/RECEIVERS      | 4/4                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                     |
| DUPLEX                           | Full                                                                   |
| DETAILED DESCRIPTION             | 4/4 Transceiver Full RS232 24-SOIC                                     |
| DATA RATE                        | 120Kbps                                                                |
