Specifications of LTC3026IMSE-1#PBF

|                                  |                                                                                        |
|----------------------------------|----------------------------------------------------------------------------------------|
| PART NUMBER                      | LTC3026IMSE-1#PBF                                                                      |
| MANUFACTURER                     | ADI (Analog Devices, Inc.)                                                             |
| DESCRIPTION                      | IC REG LIN POS ADJ 1.5A 10MSOP                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                             |
| DATA SHEET                       | <a href="#">PDF LTC3026IMSE-1#PBF.pdf</a>                                              |
| VOLTAGE DROPOUT (MAX)            | 0.25V @ 1.5A                                                                           |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 0.4V                                                                                   |
| VOLTAGE - OUTPUT (MAX)           | 2.6V                                                                                   |
| VOLTAGE - INPUT (MAX)            | 5.5V                                                                                   |
| SUPPLIER DEVICE PACKAGE          | 10-MSOP-EP                                                                             |
| SERIES                           | -                                                                                      |
| PROTECTION FEATURES              | Over Current, Over Temperature, Reverse Polarity, Short Circuit                        |
| PACKAGING                        | Tube                                                                                   |
| PACKAGE / CASE                   | 10-TFSOP, 10-MSOP (0.118", 3.00mm Width) Exposed Pad                                   |
| PSRR                             | -                                                                                      |
| OUTPUT TYPE                      | Adjustable                                                                             |
| OUTPUT CONFIGURATION             | Positive                                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                          |
| NUMBER OF REGULATORS             | 1                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                          |
| MANUFACTURER STANDARD LEAD TIME  | 12 Weeks                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                             |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Adjustable 1 Output 0.4 V ~ 2.6 V 1.5A 10-MSOP-EP |
| CURRENT - OUTPUT                 | 1.5A                                                                                   |
| CONTROL FEATURES                 | Enable, Power Good                                                                     |
| BASE PART NUMBER                 | LTC3026                                                                                |
