| DESCRIPTION                      | SENSOR DIGITAL 0C-85C 8VSSOP                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                     |
| DATA SHEET                       |                                                                                        |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                                            |
| TEST CONDITION                   | 25°C ~ 125°C                                                                           |
| SUPPLIER DEVICE PACKAGE          | 8-VSSOP                                                                                |
| SERIES                           | -                                                                                      |
| SENSOR TYPE                      | Digital, Local/Remote                                                                  |
| SENSING TEMPERATURE - REMOTE     | 0°C ~ 85°C                                                                             |
| SENSING TEMPERATURE - LOCAL      | 0°C ~ 85°C                                                                             |
| RESOLUTION                       | 7 b (Local), 11 b (Remote)                                                             |
| PACKAGING                        | Original-Reel®                                                                         |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                                 |
| OUTPUT TYPE                      | SMBus                                                                                  |
| OTHER NAMES                      | LM99-1CIMMDKR<br>LM991C1MM                                                             |
| OPERATING TEMPERATURE            | 0°C ~ 125°C                                                                            |
| MOUNTING TYPE                    | Surface Mount                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                     |
| FEATURES                         | One-Shot, Output Switch, Programmable Limit, Shutdown Mode, Standby Mode               |
| DETAILED DESCRIPTION             | Temperature Sensor Digital, Local/Remote 0°C ~ 85°C 7 b (Local), 11 b (Remote) 8-VSSOP |
| ACCURACY - HIGHEST (LOWEST)      | ±3°C                                                                                   |
