S71VS064RB0AHT4L0

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | S71VS064RB0AHT4L0                                                                                            |
| Manufacturer/Brand: | Cypress Semiconductor                                                                                        |
| Product description | IC FLASH RAM 64MIT PAR 52VFRBGA                                                                              |
| Datasheets:         |                                                                                                              |
| RoHS Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of S71VS064RB0AHT4L0

|                                  |                                                                                 |
|----------------------------------|---------------------------------------------------------------------------------|
| PART NUMBER                      | S71VS064RB0AHT4L0                                                               |
| MANUFACTURER                     | Cypress Semiconductor                                                           |
| DESCRIPTION                      | IC FLASH RAM 64MIT PAR 52VFRBGA                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                      |
| DATA SHEET                       |                                                                                 |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                                               |
| VOLTAGE - SUPPLY                 | 1.7 V ~ 1.95 V                                                                  |
| TECHNOLOGY                       | FLASH, PSRAM                                                                    |
| SUPPLIER DEVICE PACKAGE          | 52-VFRBGA (6x5)                                                                 |
| SERIES                           | VS-R                                                                            |
| PACKAGING                        | Tray                                                                            |
| PACKAGE / CASE                   | 52-VFBGA                                                                        |
| OPERATING TEMPERATURE            | -25°C ~ 85°C (TA)                                                               |
| MOUNTING TYPE                    | Surface Mount                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                   |
| MEMORY TYPE                      | Non-Volatile                                                                    |
| MEMORY SIZE                      | 64Mbit Flash, 32Mbit RAM                                                        |
| MEMORY INTERFACE                 | Parallel                                                                        |
| MEMORY FORMAT                    | FLASH, RAM                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                      |
| DETAILED DESCRIPTION             | FLASH, PSRAM Memory IC 64Mbit Flash, 32Mbit RAM Parallel 108MHz 52-VFRBGA (6x5) |
| CLOCK FREQUENCY                  | 108MHz                                                                          |
