|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | AT32UC3C1256C-AUT                                                                                            |
| Manufacturer/Brand: | Micrel / Microchip Technology                                                                                |
| Product description | IC MCU 32BIT 256KB FLASH 100TQFP                                                                             |
| Datasheets:         | <a href="#">1.AT32UC3C1256C-AUT.pdf</a>                                                                      |
|                     | <a href="#">2.AT32UC3C1256C-AUT.pdf</a>                                                                      |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

| VOLTAGE - SUPPLY (VCC/VDD)       | 3 V ~ 5.5 V                                                                                |
| SUPPLIER DEVICE PACKAGE          | 100-TQFP (14x14)                                                                           |
| SPEED                            | 66MHz                                                                                      |
| SERIES                           | AVR@32 UC3 C                                                                               |
| RAM SIZE                         | 64K x 8                                                                                    |
| PROGRAM MEMORY TYPE              | FLASH                                                                                      |
| PROGRAM MEMORY SIZE              | 256KB (256K x 8)                                                                           |
| PERIPHERALS                      | Brown-out Detect/Reset, DMA, I²S, POR, PWM, WDT                                            |
| PACKAGING                        | Tray                                                                                       |
| PACKAGE / CASE                   | 100-TQFP                                                                                   |
| OTHER NAMES                      | AT32UC3C1256CAUT                                                                           |
| OSCILLATOR TYPE                  | Internal                                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                          |
| NUMBER OF I/O                    | 81                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                              |
| MANUFACTURER STANDARD LEAD TIME  | 28 Weeks                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                 |
| EEPROM SIZE                      | -                                                                                          |
| DETAILED DESCRIPTION             | AVR AVR@32 UC3 C Microcontroller IC 32-Bit 66MHz 256KB (256K x 8) FLASH 100-TQFP (14x14)   |
| DATA CONVERTERS                  | A/D 16x12b, D/A 4x12b                                                                      |
| CORE SIZE                        | 32-Bit                                                                                     |
| CORE PROCESSOR                   | AVR                                                                                        |
| CONNECTIVITY                     | CANbus, Ethernet, I²C, IrDA, LINbus, SPI, UART/USART, USB                                  |
| BASE PART NUMBER                 | AT32UC3C1256                                                                               |
