E3S-GS3E4-1-PAN

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | E3S-GS3E4-1-PAN                                                                                              |
| Manufacturer/Brand: | Omron Automation & Safety                                                                                    |
| Product description | GRV HD ALM OUTPUT                                                                                            |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of E3S-GS3E4-1-PAN

|                                  |                                     |
|----------------------------------|-------------------------------------|
| PART NUMBER                      | E3S-GS3E4-1-PAN                     |
| MANUFACTURER                     | Omron Automation & Safety           |
| DESCRIPTION                      | GRV HD ALM OUTPUT                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant          |
| DATA SHEET                       |                                     |
| VOLTAGE - SUPPLY                 | 12 V ~ 24 V                         |
| SERIES                           | E3S                                 |
| SENSING METHOD                   | Through-Beam                        |
| SENSING DISTANCE                 | 1.181" (30mm)                       |
| RESPONSE TIME                    | 1ms                                 |
| OUTPUT CONFIGURATION             | NPN - Dark-ON/Light-ON - Selectable |
| OTHER NAMES                      | E3SGS3E41PAN                        |
| OPERATING TEMPERATURE            | -25°C ~ 55°C                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                       |
| LIGHT SOURCE                     | Infrared                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant          |
| INGRESS PROTECTION               | NEMA 1, 4, 4X, 12, 13; IEC 144 IP67 |
| CONNECTION METHOD                | Cable                               |
| ADJUSTMENT TYPE                  | Adjustable                          |
