

ON Semiconductor®  
ON

AMI Semiconductor / ON

Semiconductor

Part Number:MC74VHCT573ADW

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC LATCH OCTAL D 3ST 20SOIC

Datasheets:

MC74VHCT573ADW.pdf

RoHs Status:

Contains lead / RoHS non-compliant

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of MC74VHCT573ADW

|                                  |                                                                                                        |
|----------------------------------|--------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MC74VHCT573ADW                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                   |
| DESCRIPTION                      | IC LATCH OCTAL D 3ST 20SOIC                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                     |
| DATA SHEET                       |  MC74VHCT573ADW.pdf |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 20-SOIC                                                                                                |
| SERIES                           | 74VHCT                                                                                                 |
| PACKAGING                        | Tube                                                                                                   |
| PACKAGE / CASE                   | 20-SOIC (0.295", 7.50mm Width)                                                                         |
| OUTPUT TYPE                      | Tri-State                                                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| LOGIC TYPE                       | D-Type Transparent Latch                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                     |
| INDEPENDENT CIRCUITS             | 1                                                                                                      |
| DETAILED DESCRIPTION             | D-Type Transparent Latch 1 Channel 8:8 IC Tri-State 20-SOIC                                            |
| DELAY TIME - PROPAGATION         | 5.1ns                                                                                                  |
| CURRENT - OUTPUT HIGH, LOW       | 8mA, 8mA                                                                                               |
| CIRCUIT                          | 8:8                                                                                                    |
| BASE PART NUMBER                 | 74VHCT573                                                                                              |
