

TXB0106RGYRG4

|                     |                                 |
|---------------------|---------------------------------|
| Part Number:        | TXB0106RGYRG4                   |
| Manufacturer/Brand: | N/A                             |
| Product description | IC TRNSLTR BIDIRECTIONAL 16VQFN |
| Datasheets:         |                                 |
| RoHS Status         | Lead free / RoHS Compliant      |
| Ship From           | Hong Kong                       |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS           |

REQUEST FOR QUOTATION

Specifications of TXB0106RGYRG4

|                                  |                                                                                  |
|----------------------------------|----------------------------------------------------------------------------------|

| MANUFACTURER                     | N/A                                                                              |
| DESCRIPTION                      | IC TRNSLTR BIDIRECTIONAL 16VQFN                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                       |
| DATA SHEET                       |                                                                                  |
| VOLTAGE - VCCB                   | 1.65V ~ 5.5V                                                                     |
| VOLTAGE - VCCA                   | 1.2V ~ 3.6V                                                                      |
| TRANSLATOR TYPE                  | Voltage Level                                                                    |
| SUPPLIER DEVICE PACKAGE          | 16-VQFN (4x4)                                                                    |
| SERIES                           | -                                                                                |
| PACKAGING                        | Tape & Reel (TR)                                                                 |
| PACKAGE / CASE                   | 16-VFQFN Exposed Pad                                                             |
| OUTPUT TYPE                      | Tri-State, Non-Inverted                                                          |
| OUTPUT SIGNAL                    | -                                                                                |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                |
| NUMBER OF CIRCUITS               | 1                                                                                |
| MOUNTING TYPE                    | Surface Mount                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                                       |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                       |
| INPUT SIGNAL                     | -                                                                                |
| FEATURES                         | Auto-Direction Sensing                                                           |
| DETAILED DESCRIPTION             | Voltage Level Translator Bidirectional 1 Circuit 6 Channel 100Mbps 16-VQFN (4x4) |
| DATA RATE                        | 100Mbps                                                                          |
| CHANNELS PER CIRCUIT             | 6                                                                                |
| CHANNEL TYPE                     | Bidirectional                                                                    |
| BASE PART NUMBER                 | TXB0106                                                                          |
