

FTDI (Future Technology Devices International, Ltd)

Part Number: FT4232H-56Q-REEL

Manufacturer/Brand: FTDI (Future Technology Devices International, Ltd.)

Product description: IC USB TO UART/MP SSE QUAD 56VQFN

1.FT4232H-56Q-REEL.pdf

2.FT4232H-56Q-REEL.pdf

3.FT4232H-56Q-REEL.pdf

Datasheets:

RoHS Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

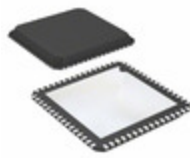

Specifications of FT4232H-56Q-REEL

|                                  |                                                                                                                            |

| DESCRIPTION                      | IC USB TO UART/MP SSE QUAD 56VQFN                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                 |
| DATA SHEET                       | <a href="#">1.FT4232H-56Q-REEL.pdf</a><br><a href="#">2.FT4232H-56Q-REEL.pdf</a><br><a href="#">3.FT4232H-56Q-REEL.pdf</a> |
| VOLTAGE - SUPPLY                 | 3.3V                                                                                                                       |
| SUPPLIER DEVICE PACKAGE          | 56-VQFN (8x8)                                                                                                              |
| STANDARDS                        | USB 2.0                                                                                                                    |
| SERIES                           | -                                                                                                                          |
| PROTOCOL                         | USB                                                                                                                        |
| PACKAGING                        | Tape & Reel (TR)                                                                                                           |
| PACKAGE / CASE                   | 56-VFQFN Exposed Pad                                                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                              |
| MANUFACTURER STANDARD LEAD TIME  | 10 Weeks                                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                 |
| INTERFACE                        | FIFO                                                                                                                       |
| FUNCTION                         | Bridge, USB to UART,FIFO                                                                                                   |
| DETAILED DESCRIPTION             | USB Bridge, USB to UART,FIFO USB 2.0 FIFO Interface 56-VQFN (8x8)                                                          |
| CURRENT - SUPPLY                 | -                                                                                                                          |
