

TPS3306-18QDRG4Q1

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | TPS3306-18QDRG4Q1                                                                                            |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | IC AUTO SUPERVISOR PWRFAIL 8SOIC                                                                             |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of TPS3306-18QDRG4Q1

|                                  |                                                          |
|----------------------------------|----------------------------------------------------------|
| PART NUMBER                      | TPS3306-18QDRG4Q1                                        |
| MANUFACTURER                     | N/A                                                      |
| DESCRIPTION                      | IC AUTO SUPERVISOR PWRFAIL 8SOIC                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                               |
| DATA SHEET                       |                                                          |
| VOLTAGE - THRESHOLD              | 1.68V, 2.93V                                             |
| TYPE                             | Multi-Voltage Supervisor                                 |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                   |
| SERIES                           | Automotive, AEC-Q100                                     |
| RESET TIMEOUT                    | 70 ms Minimum                                            |
| RESET                            | Active Low                                               |
| PACKAGING                        | Tape & Reel (TR)                                         |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                            |
| OUTPUT                           | Open Drain or Open Collector                             |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                       |
| NUMBER OF VOLTAGES MONITORED     | 2                                                        |
| MOUNTING TYPE                    | Surface Mount                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                            |
| MANUFACTURER STANDARD LEAD TIME  | 12 Weeks                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                               |
| DETAILED DESCRIPTION             | Supervisor Open Drain or Open Collector 2 Channel 8-SOIC |
| BASE PART NUMBER                 | TPS3306                                                  |
