| DATA SHEET                           |  <a href="#">H11L2S1(TA)-V.pdf</a> |
| VOLTAGE - SUPPLY                     | 3 V ~ 16 V                                                                                                            |
| VOLTAGE - ISOLATION                  | 5000Vrms                                                                                                              |
| VOLTAGE - FORWARD (VF) (TYP)         | 1.15V                                                                                                                 |
| SUPPLIER DEVICE PACKAGE              | 6-SMD                                                                                                                 |
| SERIES                               | -                                                                                                                     |
| RISE / FALL TIME (TYP)               | 100ns, 100ns                                                                                                          |
| PROPAGATION DELAY TPLH / TPHL (MAX)  | 4µs, 4µs                                                                                                              |
| PACKAGING                            | Tape & Reel (TR)                                                                                                      |
| PACKAGE / CASE                       | 6-SMD, Gull Wing                                                                                                      |
| OUTPUT TYPE                          | Open Collector                                                                                                        |
| OPERATING TEMPERATURE                | -55°C ~ 100°C                                                                                                         |
| NUMBER OF CHANNELS                   | 1                                                                                                                     |
| MOUNTING TYPE                        | Surface Mount                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)     | 1 (Unlimited)                                                                                                         |
| MANUFACTURER STANDARD LEAD TIME      | 20 Weeks                                                                                                              |
| LEAD FREE STATUS / ROHS STATUS       | Lead free / RoHS Compliant                                                                                            |
| INPUTS - SIDE 1/SIDE 2               | 1/0                                                                                                                   |
| INPUT TYPE                           | DC                                                                                                                    |
| DETAILED DESCRIPTION                 | Logic Output Optoisolator 1MHz Open Collector 5000Vrms 1 Channel 6-SMD                                                |
| DATA RATE                            | 1MHz                                                                                                                  |
| CURRENT - OUTPUT / CHANNEL           | 50mA                                                                                                                  |
| CURRENT - DC FORWARD (IF) (MAX)      | 60mA                                                                                                                  |
| COMMON MODE TRANSIENT IMMUNITY (MIN) | -                                                                                                                     |
