

Part Number:MB96F636RBPMC-GSE2

Manufacturer/Brand:Cypress Semiconductor

Product description:IC MCU 16BIT 288KB FLASH 80LQFP

Datasheets: MB96F636RBPMC-GSE2.pdf

RoHs Status: Lead free / RoHS Compliant

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

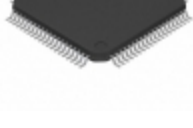

Specifications of MB96F636RBPMC-GSE2

|                                  |                                                                                                                              |

| DATA SHEET                       |  MB96F636RBPMC-GSE2.pdf                   |
| VOLTAGE - SUPPLY (VCC/VDD)       | 2.7 V ~ 5.5 V                                                                                                                |
| SUPPLIER DEVICE PACKAGE          | 80-LQFP (12x12)                                                                                                              |
| SPEED                            | 32MHz                                                                                                                        |
| SERIES                           | F <sup>2</sup> MC-16FX MB96630                                                                                               |
| RAM SIZE                         | 24K x 8                                                                                                                      |
| PROGRAM MEMORY TYPE              | FLASH                                                                                                                        |
| PROGRAM MEMORY SIZE              | 288KB (288K x 8)                                                                                                             |
| PERIPHERALS                      | DMA, LVD, POR, PWM, WDT                                                                                                      |
| PACKAGING                        | Tray                                                                                                                         |
| PACKAGE / CASE                   | 80-LQFP                                                                                                                      |
| OTHER NAMES                      | CY96F636RBPMC-GS-UJE2                                                                                                        |
| OSCILLATOR TYPE                  | Internal                                                                                                                     |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                                                                           |
| NUMBER OF I/O                    | 64                                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                                |
| MANUFACTURER STANDARD LEAD TIME  | 19 Weeks                                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                   |
| EEPROM SIZE                      | -                                                                                                                            |
| DETAILED DESCRIPTION             | F <sup>2</sup> MC-16FX F <sup>2</sup> MC-16FX MB96630 Microcontroller IC 16-Bit 32MHz 288KB (288K x 8) FLASH 80-LQFP (12x12) |
| DATA CONVERTERS                  | A/D 21x8/10b                                                                                                                 |
