| VOLTAGE - SUPPLY, SINGLE (V+)     | 2.7 V ~ 5.25 V                                                           |
| VOLTAGE - SUPPLY, DUAL (V±)       | -                                                                        |
| SWITCH CIRCUIT                    | SPST, SPDT                                                               |
| SUPPLIER DEVICE PACKAGE           | 28-QSOP                                                                  |
| SERIES                            | -                                                                        |
| PACKAGING                         | Tape & Reel (TR)                                                         |
| PACKAGE / CASE                    | 28-SSOP (0.154", 3.90mm Width)                                           |
| OPERATING TEMPERATURE             | 0°C ~ 70°C (TA)                                                          |
| ON-STATE RESISTANCE (MAX)         | 35 Ohm                                                                   |
| NUMBER OF CHANNELS                | 11                                                                       |
| MULTIPLEXER/DEMULTIPLEXER CIRCUIT | 2:1, 1:2                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                            |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                               |
| FEATURES                          | Break-Before-Make, Clickless, SPI                                        |
| DETAILED DESCRIPTION              | Audio, Video Switch IC 11 Channel 28-QSOP                                |
| BASE PART NUMBER                  | MAX4574                                                                  |
| APPLICATIONS                      | Audio, Video                                                             |
| -3DB BANDWIDTH                    | 150MHz                                                                   |
