

ON Semiconductor®  

AMI Semiconductor / ON

Semiconductor

Part Number:MC74HCT138ADR2G

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC DECODER/DEMUX 1 OF 8 16-SOIC

Datasheets: MC74HCT138ADR2G.pdf

RoHs Status: Lead free / RoHS Compliant

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of MC74HCT138ADR2G

|                                  |                                                                                                         |
|----------------------------------|---------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MC74HCT138ADR2G                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                    |
| DESCRIPTION                      | IC DECODER/DEMUX 1 OF 8 16-SOIC                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| DATA SHEET                       |  MC74HCT138ADR2G.pdf |
| VOLTAGE SUPPLY SOURCE            | Single Supply                                                                                           |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                           |
| TYPE                             | Decoder/Demultiplexer                                                                                   |
| SUPPLIER DEVICE PACKAGE          | 16-SOIC                                                                                                 |
| SERIES                           | 74HCT                                                                                                   |
| PACKAGING                        | Tape & Reel (TR)                                                                                        |
| PACKAGE / CASE                   | 16-SOIC (0.154", 3.90mm Width)                                                                          |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                           |
| MANUFACTURER STANDARD LEAD TIME  | 20 Weeks                                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| INDEPENDENT CIRCUITS             | 1                                                                                                       |
| DETAILED DESCRIPTION             | Decoder/Demultiplexer 1 x 3:8 16-SOIC                                                                   |
| CURRENT - OUTPUT HIGH, LOW       | 4mA, 4mA                                                                                                |
| CIRCUIT                          | 1 x 3:8                                                                                                 |
| BASE PART NUMBER                 | 74HCT138                                                                                                |
