| DATA SHEET                       |  <a href="#">ACPL-K376-500E.pdf</a> |
| VOLTAGE - OUTPUT (MAX)           | 20V                                                                                                                    |
| VOLTAGE - ISOLATION              | 5000Vrms                                                                                                               |
| VOLTAGE - FORWARD (VF) (TYP)     | -                                                                                                                      |
| VCE SATURATION (MAX)             | -                                                                                                                      |
| TURN ON / TURN OFF TIME (TYP)    | 6.3μs, 6.4μs                                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 8-SO Stretched                                                                                                         |
| SERIES                           | -                                                                                                                      |
| RISE / FALL TIME (TYP)           | 24μs, 0.4μs                                                                                                            |
| PACKAGING                        | Cut Tape (CT)                                                                                                          |
| PACKAGE / CASE                   | 8-SOIC (0.268", 6.81mm Width)                                                                                          |
| OUTPUT TYPE                      | Darlington                                                                                                             |
| OTHER NAMES                      | 516-4121-1                                                                                                             |
| OPERATING TEMPERATURE            | -40°C ~ 105°C                                                                                                          |
| NUMBER OF CHANNELS               | 1                                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                          |
| MANUFACTURER STANDARD LEAD TIME  | 22 Weeks                                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| INPUT TYPE                       | AC, DC                                                                                                                 |
| DETAILED DESCRIPTION             | Optoisolator Darlington Output 5000Vrms 1 Channel 8-SO Stretched                                                       |
| CURRENT TRANSFER RATIO (MIN)     | -                                                                                                                      |
