#### Specifications of E3JU-D1M4-MN1

|                                  |                                                                                                       |
|----------------------------------|-------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | E3JU-D1M4-MN1                                                                                         |
| MANUFACTURER                     | Omron Automation & Safety                                                                             |
| DESCRIPTION                      | SENSOR OPTO REFL 1M CONN MOD                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| DATA SHEET                       |  E3JU-D1M4-MN1.pdf |
| VOLTAGE - SUPPLY                 | 12 V ~ 240 V, 24 V ~ 240 V                                                                            |
| SERIES                           | E3JU                                                                                                  |
| SENSING METHOD                   | Reflective, Diffuse                                                                                   |
| SENSING DISTANCE                 | 39.370" (1m)                                                                                          |
| RESPONSE TIME                    | 12ms                                                                                                  |
| OUTPUT CONFIGURATION             | Relay - Dark-ON/Light-ON - Selectable                                                                 |
| OTHER NAMES                      | E3JUD1M4MN1                                                                                           |
| OPERATING TEMPERATURE            | -25°C ~ 55°C                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                         |
| LIGHT SOURCE                     | Infrared (950nm)                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| INGRESS PROTECTION               | NEMA 1, 2, 3, 4X, 5, 12; IEC 144; IP67                                                                |
| CONNECTION METHOD                | Connector                                                                                             |
| ADJUSTMENT TYPE                  | Adjustable                                                                                            |
