| VOLTAGE - SUPPLY                 | 3 V ~ 5.5 V                                                              |
| TYPE                             | Transceiver                                                              |
| SUPPLIER DEVICE PACKAGE          | 16-SSOP                                                                  |
| SERIES                           | -                                                                        |
| RECEIVER HYSTERESIS              | 300mV                                                                    |
| PROTOCOL                         | RS232                                                                    |
| PACKAGING                        | Tape & Reel (TR)                                                         |
| PACKAGE / CASE                   | 16-SSOP (0.209", 5.30mm Width)                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                             |
| NUMBER OF DRIVERS/RECEIVERS      | 1/1                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                       |
| DUPLEX                           | Full                                                                     |
| DETAILED DESCRIPTION             | 1/1 Transceiver Full RS232 16-SSOP                                       |
| DATA RATE                        | 235Kbps                                                                  |
