|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | ATR4253-PVQW                                                                                                 |
| Manufacturer/Brand: | Micrel / Microchip Technology                                                                                |
| Product description | IC ALL-IN-ONE FM ANT MX 16VQFN                                                                               |
| Datasheets:         | <a href="#">PDF ATR4253-PVQW.pdf</a>                                                                         |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

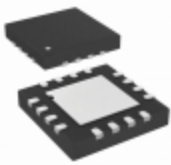

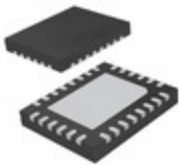

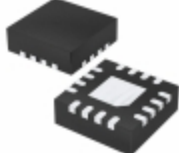

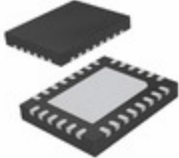

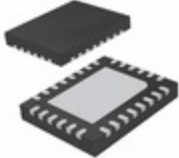

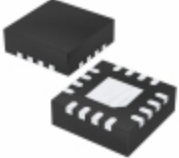

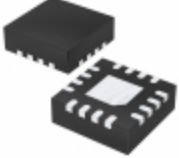

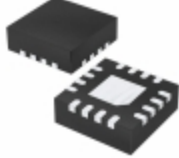

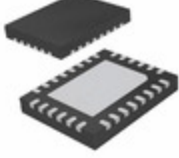

Specifications of ATR4253-PVQW

|                                  |                                                         |
|----------------------------------|---------------------------------------------------------|
| PART NUMBER                      | ATR4253-PVQW                                            |
| MANUFACTURER                     | Micrel / Microchip Technology                           |
| DESCRIPTION                      | IC ALL-IN-ONE FM ANT MX 16VQFN                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                              |
| DATA SHEET                       | <a href="#">PDF ATR4253-PVQW.pdf</a>                    |
| SUPPLIER DEVICE PACKAGE          | 16-VQFN (3x3)                                           |
| SERIES                           | -                                                       |
| SECONDARY ATTRIBUTES             | -                                                       |
| RF TYPE                          | FM                                                      |
| PACKAGING                        | Tape & Reel (TR)                                        |
| PACKAGE / CASE                   | 16-VFQFN Exposed Pad                                    |
| OTHER NAMES                      | ATR4253-PVQW-ND<br>ATR4253-PVQWTR                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                              |
| FUNCTION                         | Antenna Amplifier                                       |
| FREQUENCY                        | 76MHz ~ 108MHz                                          |
| DETAILED DESCRIPTION             | RF IC Antenna Amplifier FM 76MHz ~ 108MHz 16-VQFN (3x3) |
