

STM6315LBW13F

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | STM6315LBW13F                                                                                                |
| Manufacturer/Brand: | STMicroelectronics                                                                                           |
| Product description | IC MPU RESET OPEN DRAIN SOT143-4                                                                             |
| Datasheets:         | <a href="#">PDF STM6315LBW13F.pdf</a>                                                                        |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

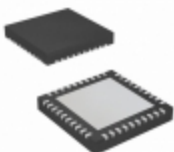

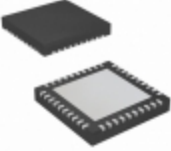

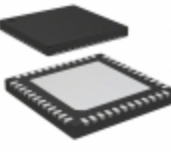

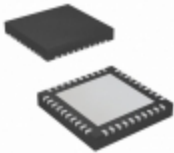

Specifications of STM6315LBW13F

|                                  |                                                             |
|----------------------------------|-------------------------------------------------------------|
| PART NUMBER                      | STM6315LBW13F                                               |
| MANUFACTURER                     | STMicroelectronics                                          |
| DESCRIPTION                      | IC MPU RESET OPEN DRAIN SOT143-4                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                  |
| DATA SHEET                       | <a href="#">PDF STM6315LBW13F.pdf</a>                       |
| VOLTAGE - THRESHOLD              | 4.63V                                                       |
| TYPE                             | Simple Reset/Power-On Reset                                 |
| SUPPLIER DEVICE PACKAGE          | SOT-143-4                                                   |
| SERIES                           | -                                                           |
| RESET TIMEOUT                    | 20 ms Minimum                                               |
| RESET                            | Active Low                                                  |
| PACKAGING                        | Cut Tape (CT)                                               |
| PACKAGE / CASE                   | TO-253-4, TO-253AA                                          |
| OUTPUT                           | Open Drain or Open Collector                                |
| OTHER NAMES                      | 497-5316-1                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                          |
| NUMBER OF VOLTAGES MONITORED     | 1                                                           |
| MOUNTING TYPE                    | Surface Mount                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                  |
| DETAILED DESCRIPTION             | Supervisor Open Drain or Open Collector 1 Channel SOT-143-4 |
| BASE PART NUMBER                 | STM6315                                                     |
