|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | NLAS7213MUTAG                                                                                                |
| Manufacturer/Brand: | AMI Semiconductor / ON Semiconductor                                                                         |
| Product description | IC USB SWITCH DPST 8UQFN                                                                                     |
| Datasheets:         |  NLAS7213MUTAG.pdf          |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

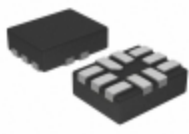

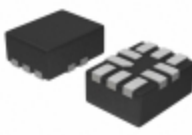

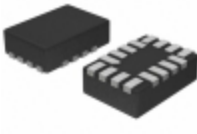

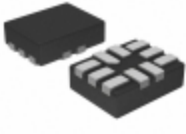

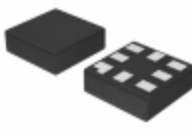

Specifications of NLAS7213MUTAG

|                                   |                                                                                                       |
|-----------------------------------|-------------------------------------------------------------------------------------------------------|
| PART NUMBER                       | NLAS7213MUTAG                                                                                         |
| MANUFACTURER                      | AMI Semiconductor / ON Semiconductor                                                                  |
| DESCRIPTION                       | IC USB SWITCH DPST 8UQFN                                                                              |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                            |
| DATA SHEET                        |  NLAS7213MUTAG.pdf |
| VOLTAGE - SUPPLY, SINGLE (V+)     | 1.65 V ~ 4.5 V                                                                                        |
| VOLTAGE - SUPPLY, DUAL (V±)       | -                                                                                                     |
| SWITCH CIRCUIT                    | DPST                                                                                                  |
| SUPPLIER DEVICE PACKAGE           | 8-UQFN (1.5x1.5)                                                                                      |
| SERIES                            | -                                                                                                     |
| PACKAGING                         | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                    | 8-UFQFN                                                                                               |
| OPERATING TEMPERATURE             | -40°C ~ 85°C (TA)                                                                                     |
| ON-STATE RESISTANCE (MAX)         | 7.5 Ohm                                                                                               |
| NUMBER OF CHANNELS                | 1                                                                                                     |
| MULTIPLEXER/DEMULTIPLEXER CIRCUIT | -                                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                            |
| FEATURES                          | USB 2.0                                                                                               |
| DETAILED DESCRIPTION              | USB Switch IC 1 Channel 8-UQFN (1.5x1.5)                                                              |
| BASE PART NUMBER                  | NLAS7213                                                                                              |
| APPLICATIONS                      | USB                                                                                                   |
| -3DB BANDWIDTH                    | 1.118GHz                                                                                              |
