| MANUFACTURER                     | IDT (Integrated Device Technology)                                                                   |
| DESCRIPTION                      | IC CLK BUFFER 1:5 100MHZ 20QSOP                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| DATA SHEET                       |  MK3805RILFTR.pdf |
| VOLTAGE - SUPPLY                 | 3.13 V ~ 3.46 V                                                                                      |
| TYPE                             | Fanout Buffer (Distribution)                                                                         |
| SUPPLIER DEVICE PACKAGE          | 20-QSOP                                                                                              |
| SERIES                           | -                                                                                                    |
| RATIO - INPUT:OUTPUT             | 1:5                                                                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                                                     |
| PACKAGE / CASE                   | 20-SSOP (0.154", 3.90mm Width)                                                                       |
| OUTPUT                           | LVC MOS                                                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                         |
| NUMBER OF CIRCUITS               | 2                                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| INPUT                            | LVC MOS                                                                                              |
| FREQUENCY - MAX                  | 100MHz                                                                                               |
| DIFFERENTIAL - INPUT:OUTPUT      | No/No                                                                                                |
| DETAILED DESCRIPTION             | Clock Fanout Buffer (Distribution) IC 1:5 100MHz 20-SSOP (0.154", 3.90mm Width)                      |
| BASE PART NUMBER                 | MK3805                                                                                               |
