| VOLTAGE - SUPPLY (VCC/VDD)       | 1.65 V ~ 3.6 V                                                                               |
| SUPPLIER DEVICE PACKAGE          | 48-LQFP (7x7)                                                                                |
| SPEED                            | 48MHz                                                                                        |
| SERIES                           | STM32F0                                                                                      |
| RAM SIZE                         | 16K x 8                                                                                      |
| PROGRAM MEMORY TYPE              | FLASH                                                                                        |
| PROGRAM MEMORY SIZE              | 128KB (128K x 8)                                                                             |
| PERIPHERALS                      | DMA, I <sup>2</sup> S, POR, PWM, WDT                                                         |
| PACKAGING                        | Tray                                                                                         |
| PACKAGE / CASE                   | 48-LQFP                                                                                      |
| OTHER NAMES                      | 497-14645                                                                                    |
| OSCILLATOR TYPE                  | Internal                                                                                     |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                            |
| NUMBER OF I/O                    | 37                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                |
| MANUFACTURER STANDARD LEAD TIME  | 10 Weeks                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                   |
| EEPROM SIZE                      | -                                                                                            |
| DETAILED DESCRIPTION             | ARM® Cortex®-M0 STM32F0 Microcontroller IC 32-Bit 48MHz 128KB (128K x 8) FLASH 48-LQFP (7x7) |
| DATA CONVERTERS                  | A/D 10x12b, D/A 2x12b                                                                        |
| CORE SIZE                        | 32-Bit                                                                                       |
| CORE PROCESSOR                   | ARM® Cortex®-M0                                                                              |
| CONNECTIVITY                     | CANbus, HDMI-CEC, I <sup>2</sup> C, IrDA, LINbus, SPI, UART/USART, USB                       |
| BASE PART NUMBER                 | STM32F072                                                                                    |
