

LM4250CN/NOPB

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | LM4250CN/NOPB                                                                                                |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | IC OPAMP GP 250KHZ 8DIP                                                                                      |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

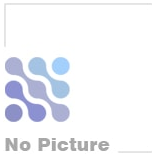

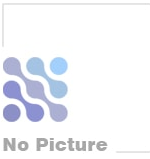

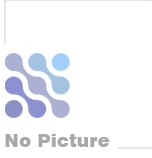

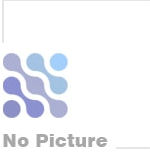

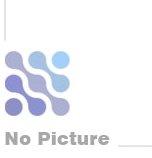

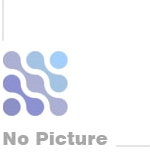

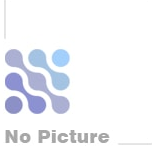

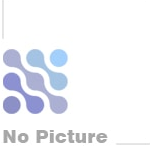

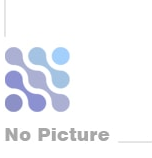

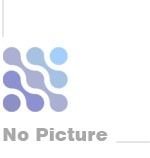

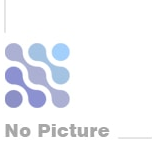

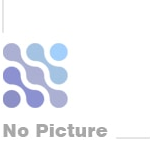

Specifications of LM4250CN/NOPB

|                                   |                                            |
|-----------------------------------|--------------------------------------------|
| PART NUMBER                       | LM4250CN/NOPB                              |
| MANUFACTURER                      | N/A                                        |
| DESCRIPTION                       | IC OPAMP GP 250KHZ 8DIP                    |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                 |
| DATA SHEET                        |                                            |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | ±1 V ~ 18 V                                |
| VOLTAGE - INPUT OFFSET            | 6mV                                        |
| SUPPLIER DEVICE PACKAGE           | 8-PDIP                                     |
| SLEW RATE                         | -                                          |
| SERIES                            | -                                          |
| PACKAGING                         | Tube                                       |
| PACKAGE / CASE                    | 8-DIP (0.300", 7.62mm)                     |
| OUTPUT TYPE                       | -                                          |
| OTHER NAMES                       | *LM4250CN/NOPB<br>LM4250CNNOPB             |
| OPERATING TEMPERATURE             | 0°C ~ 70°C                                 |
| NUMBER OF CIRCUITS                | 1                                          |
| MOUNTING TYPE                     | Through Hole                               |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                              |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                 |
| GAIN BANDWIDTH PRODUCT            | 250kHz                                     |
| DETAILED DESCRIPTION              | General Purpose Amplifier 1 Circuit 8-PDIP |
| CURRENT - SUPPLY                  | 100µA                                      |
| CURRENT - INPUT BIAS              | 75nA                                       |
| BASE PART NUMBER                  | LM4250                                     |
| AMPLIFIER TYPE                    | General Purpose                            |
