| VOLTAGE - SUPPLY (MIN)           | 2.7V                                                                                             |
| VOLTAGE - SUPPLY (MAX)           | 6V                                                                                               |
| VOLTAGE - OUTPUT                 | 26V                                                                                              |
| TYPE                             | DC DC Regulator                                                                                  |
| TOPOLOGY                         | Step-Up (Boost)                                                                                  |
| SUPPLIER DEVICE PACKAGE          | 14-TDFN-EP (3x3)                                                                                 |
| SERIES                           | -                                                                                                |
| PACKAGING                        | Tape & Reel (TR)                                                                                 |
| PACKAGE / CASE                   | 14-WFDFN Exposed Pad                                                                             |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                |
| NUMBER OF OUTPUTS                | 2                                                                                                |
| MOUNTING TYPE                    | Surface Mount                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                       |
| INTERNAL SWITCH(S)               | Yes                                                                                              |
| FREQUENCY                        | 1MHz                                                                                             |
| DIMMING                          | Analog, PWM                                                                                      |
| DETAILED DESCRIPTION             | LED Driver IC 2 Output DC DC Regulator Step-Up (Boost) Analog, PWM Dimming 40mA 14-TDFN-EP (3x3) |
| CURRENT - OUTPUT / CHANNEL       | 40mA                                                                                             |
| BASE PART NUMBER                 | MAX8608                                                                                          |
| APPLICATIONS                     | Backlight                                                                                        |
