AT93C46C-10PC-2.7

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | AT93C46C-10PC-2.7                                                                                                    |
| Manufacturer/Brand: | Micrel / Microchip Technology                                                                                        |
| Product description | IC EEPROM 1K SPI 2MHZ 8DIP                                                                                           |
| Datasheets:         |                                                                                                                      |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

Specifications of AT93C46C-10PC-2.7

|                                  |                                                          |
|----------------------------------|----------------------------------------------------------|
| PART NUMBER                      | AT93C46C-10PC-2.7                                        |
| MANUFACTURER                     | Micrel / Microchip Technology                            |
| DESCRIPTION                      | IC EEPROM 1K SPI 2MHZ 8DIP                               |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                       |
| DATA SHEET                       |                                                          |
| WRITE CYCLE TIME - WORD, PAGE    | 10ms                                                     |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                            |
| TECHNOLOGY                       | EEPROM                                                   |
| SUPPLIER DEVICE PACKAGE          | 8-PDIP                                                   |
| SERIES                           | -                                                        |
| PACKAGING                        | Tube                                                     |
| PACKAGE / CASE                   | 8-DIP (0.300", 7.62mm)                                   |
| OTHER NAMES                      | AT93C46C10PC2.7                                          |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TC)                                          |
| MOUNTING TYPE                    | Through Hole                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                            |
| MEMORY TYPE                      | Non-Volatile                                             |
| MEMORY SIZE                      | 1Kb (128 x 8 , 64 x 16)                                  |
| MEMORY INTERFACE                 | SPI                                                      |
| MEMORY FORMAT                    | EEPROM                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                       |
| DETAILED DESCRIPTION             | EEPROM Memory IC 1Kb (128 x 8 , 64 x 16) SPI 2MHz 8-PDIP |
| CLOCK FREQUENCY                  | 2MHz                                                     |
| BASE PART NUMBER                 | AT93C46                                                  |
