| DESCRIPTION                      | IC VREF SERIES 2.5V 8SOIC                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| DATA SHEET                       | <a href="#">1.MAX873AESA+.pdf</a><br><a href="#">2.MAX873AESA+.pdf</a> |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 2.5V                                                                   |
| VOLTAGE - INPUT                  | 4.5 V ~ 18 V                                                           |
| TOLERANCE                        | ±0.06%                                                                 |
| TEMPERATURE COEFFICIENT          | 7ppm/°C                                                                |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                 |
| SERIES                           | -                                                                      |
| REFERENCE TYPE                   | Series                                                                 |
| PACKAGING                        | Tube                                                                   |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                          |
| OUTPUT TYPE                      | Fixed                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                      |
| NOISE - 10HZ TO 10KHZ            | 6.8µVrms                                                               |
| NOISE - 0.1HZ TO 10HZ            | 3.8µVp-p                                                               |
| MOUNTING TYPE                    | Surface Mount                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                          |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| DETAILED DESCRIPTION             | Series Voltage Reference IC ±0.06% 10mA 8-SOIC                         |
| CURRENT - SUPPLY                 | 600µA                                                                  |
| CURRENT - OUTPUT                 | 10mA                                                                   |
