| DATA SHEET                       |  ICL7663ACPA+.pdf |
| VOLTAGE DROPOUT (MAX)            | -                                                                                                    |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 1.3V                                                                                                 |
| VOLTAGE - OUTPUT (MAX)           | 16V                                                                                                  |
| VOLTAGE - INPUT (MAX)            | 16V                                                                                                  |
| SUPPLIER DEVICE PACKAGE          | 8-PDIP                                                                                               |
| SERIES                           | -                                                                                                    |
| PROTECTION FEATURES              | Over Current                                                                                         |
| PACKAGING                        | Tube                                                                                                 |
| PACKAGE / CASE                   | 8-DIP (0.300", 7.62mm)                                                                               |
| PSRR                             | -                                                                                                    |
| OUTPUT TYPE                      | Adjustable                                                                                           |
| OUTPUT CONFIGURATION             | Positive                                                                                             |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                           |
| NUMBER OF REGULATORS             | 1                                                                                                    |
| MOUNTING TYPE                    | Through Hole                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                        |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Adjustable 1 Output 1.3 V ~ 16 V 40mA 8-PDIP                    |
| CURRENT - QUIESCENT (IQ)         | 12µA                                                                                                 |
| CURRENT - OUTPUT                 | 40mA                                                                                                 |
| CONTROL FEATURES                 | Enable                                                                                               |
| BASE PART NUMBER                 | ICL7663                                                                                              |
