

ON Semiconductor®  
ON

AMI Semiconductor / ON

Semiconductor

Part Number: CNW85300

Manufacturer/Brand: AMI Semiconductor / ON Semiconductor

Product description: OPTOCOUPLER VDE TRANS OUT 6DIP

Datasheets:  CNW85300.pdf

RoHs Status:  Contains lead / RoHS non-compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of CNW85300

|                                  |                                                                                                  |
|----------------------------------|--------------------------------------------------------------------------------------------------|
| PART NUMBER                      | CNW85300                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                             |
| DESCRIPTION                      | OPTOCOUPLER VDE TRANS OUT 6DIP                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                               |
| DATA SHEET                       |  CNW85300.pdf |
| VOLTAGE - OUTPUT (MAX)           | 80V                                                                                              |
| VOLTAGE - ISOLATION              | 5900Vrms                                                                                         |
| VOLTAGE - FORWARD (VF) (TYP)     | -                                                                                                |
| VCE SATURATION (MAX)             | 400mV                                                                                            |
| TURN ON / TURN OFF TIME (TYP)    | -                                                                                                |
| SUPPLIER DEVICE PACKAGE          | 6-DIP                                                                                            |
| SERIES                           | -                                                                                                |
| RISE / FALL TIME (TYP)           | -                                                                                                |
| PACKAGING                        | Tube                                                                                             |
| PACKAGE / CASE                   | 6-DIP (0.400", 10.16mm)                                                                          |
| OUTPUT TYPE                      | Transistor with Base                                                                             |
| OPERATING TEMPERATURE            | -                                                                                                |
| NUMBER OF CHANNELS               | 1                                                                                                |
| MOUNTING TYPE                    | Through Hole                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                               |
| INPUT TYPE                       | DC                                                                                               |
| DETAILED DESCRIPTION             | Optoisolator Transistor with Base Output 5900Vrms 1 Channel 6-DIP                                |
| CURRENT TRANSFER RATIO (MIN)     | 0.63% @ 10mA                                                                                     |
| CURRENT TRANSFER RATIO (MAX)     | 3.20% @ 10mA                                                                                     |
| CURRENT - OUTPUT / CHANNEL       | 100mA                                                                                            |
| CURRENT - DC FORWARD (IF) (MAX)  | 100mA                                                                                            |
