| VOLTAGE - OUTPUT                 | 5V                                                                          |
| VOLTAGE - INPUT                  | 8 V ~ 28 V                                                                  |
| SUPPLIER DEVICE PACKAGE          | 24-TQFN (4x4)                                                               |
| SERIES                           | -                                                                           |
| PACKAGING                        | Tube                                                                        |
| PACKAGE / CASE                   | 24-WFQFN Exposed Pad                                                        |
| OPERATING TEMPERATURE            | 0°C ~ 85°C                                                                  |
| NUMBER OF OUTPUTS                | 1                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                  |
| DETAILED DESCRIPTION             | - Converter, LCD Power Supplies Voltage Regulator IC 1 Output 24-TQFN (4x4) |
| BASE PART NUMBER                 | MAX8761                                                                     |
| APPLICATIONS                     | Converter, LCD Power Supplies                                               |
