| DESCRIPTION                      | SENSOR LOGIC OUT SLOTTED                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| DATA SHEET                       |  HOA0901-012.pdf |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                       |
| SERIES                           | -                                                                                                   |
| SENSING METHOD                   | Transmissive                                                                                        |
| SENSING DISTANCE                 | 0.126" (3.2mm)                                                                                      |
| RESPONSE TIME                    | 100ns                                                                                               |
| PACKAGE / CASE                   | PCB Mount                                                                                           |
| OUTPUT CONFIGURATION             | NPN - Open Collector                                                                                |
| OTHER NAMES                      | 480-2959<br>HOA0901012                                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 70°C (TA)                                                                                   |
| MOUNTING TYPE                    | Through Hole                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| DETAILED DESCRIPTION             | Optical Sensor Transmissive 0.126" (3.2mm) PCB Mount                                                |
| CURRENT - SUPPLY                 | 7mA                                                                                                 |
