| DESCRIPTION                          | IC MOSFET DRIVER 6A 8MSOP                                                                               |
| LEAD FREE STATUS / ROHS STATUS       | Lead free / RoHS Compliant                                                                              |
| DATA SHEET                           |  MCP14A0602-E/MS.pdf |
| VOLTAGE - SUPPLY                     | 4.5 V ~ 18 V                                                                                            |
| SUPPLIER DEVICE PACKAGE              | 8-MSOP                                                                                                  |
| SERIES                               | -                                                                                                       |
| RISE / FALL TIME (TYP)               | 10ns, 10ns                                                                                              |
| PACKAGING                            | Tube                                                                                                    |
| PACKAGE / CASE                       | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                                                  |
| OPERATING TEMPERATURE                | -40°C ~ 150°C (TJ)                                                                                      |
| NUMBER OF DRIVERS                    | 1                                                                                                       |
| MOUNTING TYPE                        | Surface Mount                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL)     | 3 (168 Hours)                                                                                           |
| LOGIC VOLTAGE - VIL, VIH             | 0.8V, 2V                                                                                                |
| LEAD FREE STATUS / ROHS STATUS       | Lead free / RoHS Compliant                                                                              |
| INPUT TYPE                           | Non-Inverting                                                                                           |
| GATE TYPE                            | N-Channel, P-Channel MOSFET                                                                             |
| DRIVEN CONFIGURATION                 | Low-Side                                                                                                |
| DETAILED DESCRIPTION                 | Low-Side Gate Driver IC Non-Inverting 8-MSOP                                                            |
| CURRENT - PEAK OUTPUT (SOURCE, SINK) | 6A, 6A                                                                                                  |
| CHANNEL TYPE                         | Single                                                                                                  |
