Specifications of CY8C20110-LDX2IT

|                                  |                                                                                                                          |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | CY8C20110-LDX2IT                                                                                                         |
| MANUFACTURER                     | Cypress Semiconductor                                                                                                    |
| DESCRIPTION                      | IC CAPSENSE EXP 10 I/O 16QFN                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| DATA SHEET                       |  <a href="#">CY8C20110-LDX2IT.pdf</a> |
| VOLTAGE - SUPPLY                 | 2.4 V ~ 5.25 V                                                                                                           |
| TYPE                             | Buttons                                                                                                                  |
| SUPPLIER DEVICE PACKAGE          | 16-QFN (3x3)                                                                                                             |
| SERIES                           | CapSense® Express™                                                                                                       |
| RESOLUTION                       | -                                                                                                                        |
| PROXIMITY DETECTION              | No                                                                                                                       |
| PACKAGING                        | Tape & Reel (TR)                                                                                                         |
| PACKAGE / CASE                   | 16-UFQFN                                                                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                             |
| NUMBER OF INPUTS                 | Up to 10                                                                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| LED DRIVER CHANNELS              | Up to 10                                                                                                                 |
| INTERFACE                        | I²C                                                                                                                      |
| DETAILED DESCRIPTION             | Capacitive Touch Buttons 16-QFN (3x3)                                                                                    |
| CURRENT - SUPPLY                 | 1.5mA                                                                                                                    |
