| VOLTAGE - SUPPLY (VCC/VDD)       | 2 V ~ 5.5 V                                                                    |
| SUPPLIER DEVICE PACKAGE          | 44-QFN (8x8)                                                                   |
| SPEED                            | 40MHz                                                                          |
| SERIES                           | PIC® 18F                                                                       |
| RAM SIZE                         | 1.5K x 8                                                                       |
| PROGRAM MEMORY TYPE              | FLASH                                                                          |
| PROGRAM MEMORY SIZE              | 32KB (16K x 16)                                                                |
| PERIPHERALS                      | Brown-out Detect/Reset, HLVD, POR, PWM, WDT                                    |
| PACKAGING                        | Tape & Reel (TR)                                                               |
| PACKAGE / CASE                   | 44-VQFN Exposed Pad                                                            |
| OSCILLATOR TYPE                  | Internal                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                              |
| NUMBER OF I/O                    | 36                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                  |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                     |
| EEPROM SIZE                      | 256 x 8                                                                        |
| DETAILED DESCRIPTION             | PIC PIC® 18F Microcontroller IC 8-Bit 40MHz 32KB (16K x 16) FLASH 44-QFN (8x8) |
| DATA CONVERTERS                  | A/D 13x12b                                                                     |
| CORE SIZE                        | 8-Bit                                                                          |
| CORE PROCESSOR                   | PIC                                                                            |
| CONNECTIVITY                     | I²C, SPI, UART/USART                                                           |
| BASE PART NUMBER                 | PIC18LF4523                                                                    |
