| VOLTAGE - SUPPLY                     | 5.25 V ~ 16 V                                                                  |
| SUPPLIER DEVICE PACKAGE              | 28-QFN (4x5)                                                                   |
| SERIES                               | -                                                                              |
| RISE / FALL TIME (TYP)               | 20ns, 20ns                                                                     |
| PACKAGING                            | Tape & Reel (TR)                                                               |
| PACKAGE / CASE                       | 28-VFQFN Exposed Pad                                                           |
| OTHER NAMES                          | 576-5053-2<br>MIC4607-2YML T5                                                  |
| OPERATING TEMPERATURE                | -40°C ~ 125°C (TJ)                                                             |
| NUMBER OF DRIVERS                    | 6                                                                              |
| MOUNTING TYPE                        | Surface Mount                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL)     | 3 (168 Hours)                                                                  |
| MANUFACTURER STANDARD LEAD TIME      | 6 Weeks                                                                        |
| LOGIC VOLTAGE - VIL, VIH             | 0.8V, 2.2V                                                                     |
| LEAD FREE STATUS / ROHS STATUS       | Lead free / RoHS Compliant                                                     |
| INPUT TYPE                           | Non-Inverting                                                                  |
| HIGH SIDE VOLTAGE - MAX (BOOTSTRAP)  | 108V                                                                           |
| GATE TYPE                            | N-Channel MOSFET                                                               |
| DRIVEN CONFIGURATION                 | Half-Bridge                                                                    |
| DETAILED DESCRIPTION                 | Half-Bridge Gate Driver IC Non-Inverting 28-QFN (4x5)                          |
| CURRENT - PEAK OUTPUT (SOURCE, SINK) | 1A, 1A                                                                         |
| CHANNEL TYPE                         | 3-Phase                                                                        |
| BASE PART NUMBER                     | MIC4607                                                                        |
