E2CA-AL4F

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | E2CA-AL4F                                                                                                    |
| Manufacturer/Brand: | Omron Automation & Safety                                                                                    |
| Product description | AMP DC 4-20MA FOR E2CA-X10A/-5M                                                                              |
| Datasheets:         |  E2CA-AL4F.pdf              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

| DESCRIPTION                      | AMP DC 4-20MA FOR E2CA-X10A/-5M                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                        |
| DATA SHEET                       |  E2CA-AL4F.pdf |
| VOLTAGE - SUPPLY                 | 10 V ~ 30 V                                                                                       |
| SERIES                           | E2CA                                                                                              |
| OUTPUT TYPE                      | Linear                                                                                            |
| OTHER NAMES                      | E2CAAL4F                                                                                          |
| OPERATING TEMPERATURE            | -10°C ~ 55°C (TA)                                                                                 |
| MOUNTING TYPE                    | Panel Mount                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                        |
| DETAILED DESCRIPTION             | Standard Sensor Amplifier Panel Mount                                                             |
| CURRENT - SUPPLY                 | 70mA                                                                                              |
| AMPLIFIER TYPE                   | Standard                                                                                          |
