| DESCRIPTION                      | RELAY GEN PURPOSE 4PDT 6A 115V                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                   |
| DATA SHEET                       | 8824860000.pdf                                               |
| TURN ON VOLTAGE (MAX)            | 92 VAC                                                       |
| TURN OFF VOLTAGE (MIN)           | 34.5 VAC                                                     |
| TERMINATION STYLE                | Plug In, Quick Connect - 0.110" (2.8mm)                      |
| SWITCHING VOLTAGE                | 250VAC - Max                                                 |
| SERIES                           | RCM                                                          |
| RELEASE TIME                     | 10ms                                                         |
| RELAY TYPE                       | General Purpose                                              |
| PACKAGING                        | Bulk                                                         |
| OPERATING TEMPERATURE            | -40°C ~ 70°C                                                 |
| OPERATE TIME                     | 15ms                                                         |
| MOUNTING TYPE                    | Socketable                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                |
| MANUFACTURER STANDARD LEAD TIME  | 8 Weeks                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                   |
| FEATURES                         | Test Button                                                  |
| DETAILED DESCRIPTION             | General Purpose Relay 4PDT (4 Form C) 115VAC Coil Socketable |
| CONTACT RATING (CURRENT)         | 6A                                                           |
| CONTACT MATERIAL                 | Silver Nickel (AgNi), Gold (Au)                              |
| CONTACT FORM                     | 4PDT (4 Form C)                                              |
| COIL VOLTAGE                     | 115VAC                                                       |
| COIL TYPE                        | Non Latching                                                 |
| COIL RESISTANCE                  | 4.85 kOhms                                                   |
| COIL POWER                       | 1 VA                                                         |
| COIL CURRENT                     | 8.8mA                                                        |
