| DESCRIPTION                      | IC CLK BUFFER 1:2 1.6GHZ 32LFCSP                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| DATA SHEET                       |  AD9515BCPZ.pdf |
| VOLTAGE - SUPPLY                 | 3.135 V ~ 3.465 V                                                                                  |
| TYPE                             | Fanout Buffer (Distribution), Divider                                                              |
| SUPPLIER DEVICE PACKAGE          | 32-LFCSP-VQ (5x5)                                                                                  |
| SERIES                           | -                                                                                                  |
| RATIO - INPUT:OUTPUT             | 1:2                                                                                                |
| PACKAGING                        | Tray                                                                                               |
| PACKAGE / CASE                   | 32-VFQFN Exposed Pad, CSP                                                                          |
| OUTPUT                           | CMOS, LVDS, LVPECL                                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                       |
| NUMBER OF CIRCUITS               | 1                                                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                      |
| MANUFACTURER STANDARD LEAD TIME  | 7 Weeks                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| INPUT                            | Clock                                                                                              |
| FREQUENCY - MAX                  | 1.6GHz                                                                                             |
| DIFFERENTIAL - INPUT:OUTPUT      | Yes/Yes                                                                                            |
