| DATA SHEET                           |  <a href="#">TC4469MJD.pdf</a> |
| VOLTAGE - SUPPLY                     | 4.5 V ~ 18 V                                                                                                      |
| SUPPLIER DEVICE PACKAGE              | 14-CERDIP                                                                                                         |
| SERIES                               | -                                                                                                                 |
| RISE / FALL TIME (TYP)               | 15ns, 15ns                                                                                                        |
| PACKAGING                            | Tube                                                                                                              |
| PACKAGE / CASE                       | 14-CDIP (0.300", 7.62mm)                                                                                          |
| OPERATING TEMPERATURE                | -55°C ~ 150°C (TJ)                                                                                                |
| NUMBER OF DRIVERS                    | 4                                                                                                                 |
| MOUNTING TYPE                        | Through Hole                                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL)     | 1 (Unlimited)                                                                                                     |
| LOGIC VOLTAGE - VIL, VIH             | 0.8V, 2.4V                                                                                                        |
| LEAD FREE STATUS / ROHS STATUS       | Lead free / RoHS Compliant                                                                                        |
| INPUT TYPE                           | Inverting, Non-Inverting                                                                                          |
| GATE TYPE                            | N-Channel, P-Channel MOSFET                                                                                       |
| DRIVEN CONFIGURATION                 | Low-Side                                                                                                          |
| DETAILED DESCRIPTION                 | Low-Side Gate Driver IC Inverting, Non-Inverting 14-CERDIP                                                        |
| CURRENT - PEAK OUTPUT (SOURCE, SINK) | 1.2A, 1.2A                                                                                                        |
| CHANNEL TYPE                         | Independent                                                                                                       |
