| PART NUMBER                      | L6718TR                                                                                         |
| MANUFACTURER                     | STMicroelectronics                                                                              |
| DESCRIPTION                      | IC CONTROLLER VR12 56VFQFPN                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                      |
| DATA SHEET                       |  L6718TR.pdf |
| VOLTAGE - OUTPUT                 | 0.25 V ~ 2.145 V                                                                                |
| VOLTAGE - INPUT                  | 4.75 V ~ 7.5 V                                                                                  |
| SUPPLIER DEVICE PACKAGE          | 56-VFQFPN (7x7)                                                                                 |
| SERIES                           | -                                                                                               |
| PACKAGING                        | Original-Reel®                                                                                  |
| PACKAGE / CASE                   | 56-VFQFN Exposed Pad                                                                            |
| OTHER NAMES                      | 497-13701-6                                                                                     |
| OPERATING TEMPERATURE            | -25°C ~ 125°C                                                                                   |
| NUMBER OF OUTPUTS                | 2                                                                                               |
| MOUNTING TYPE                    | Surface Mount                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                      |
| DETAILED DESCRIPTION             | - Controller, Intel VR12 Voltage Regulator IC 2 Output 56-VFQFPN (7x7)                          |
| BASE PART NUMBER                 | L6718                                                                                           |
| APPLICATIONS                     | Controller, Intel VR12                                                                          |
