Specifications of 74LVC14ATTR

|                                   |                                                                                                     |
|-----------------------------------|-----------------------------------------------------------------------------------------------------|
| PART NUMBER                       | 74LVC14ATTR                                                                                         |
| MANUFACTURER                      | STMicroelectronics                                                                                  |
| DESCRIPTION                       | IC INVERTER 6CH 6-INP 14TSSOP                                                                       |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                          |
| DATA SHEET                        |  74LVC14ATTR.pdf |
| VOLTAGE - SUPPLY                  | 1.65 V ~ 3.6 V                                                                                      |
| SUPPLIER DEVICE PACKAGE           | 14-TSSOP                                                                                            |
| SERIES                            | 74LVC                                                                                               |
| PACKAGING                         | Tape & Reel (TR)                                                                                    |
| PACKAGE / CASE                    | 14-TSSOP (0.173", 4.40mm Width)                                                                     |
| OTHER NAMES                       | 497-7104-2<br>74LVC14ATTR-ND                                                                        |
| OPERATING TEMPERATURE             | -55°C ~ 125°C                                                                                       |
| NUMBER OF INPUTS                  | 6                                                                                                   |
| NUMBER OF CIRCUITS                | 6                                                                                                   |
| MOUNTING TYPE                     | Surface Mount                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 3 (168 Hours)                                                                                       |
| MAX PROPAGATION DELAY @ V, MAX CL | 6.4ns @ 3.3V, 50pF                                                                                  |
| LOGIC TYPE                        | Inverter                                                                                            |
| LOGIC LEVEL - LOW                 | 0.3 V ~ 0.8 V                                                                                       |
| LOGIC LEVEL - HIGH                | 1.4 V ~ 2.2 V                                                                                       |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                          |
| FEATURES                          | -                                                                                                   |
| DETAILED DESCRIPTION              | Inverter IC 6 Channel 14-TSSOP                                                                      |
| CURRENT - QUIESCENT (MAX)         | 10µA                                                                                                |
| CURRENT - OUTPUT HIGH, LOW        | 24mA, 24mA                                                                                          |
| BASE PART NUMBER                  | 74LVC14                                                                                             |
