| DESCRIPTION                      | SYSTEM ON MODULE LV OMAP3503                                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                      |
| DATA SHEET                       |  <a href="#">SOMOMAP3503-10-1672IFCR.pdf</a> |
| SPEED                            | 600MHz                                                                                                                          |
| SIZE / DIMENSION                 | 1.23" x 3.01" (31.2mm x 76.5mm)                                                                                                 |
| SERIES                           | OMAP35x                                                                                                                         |
| RAM SIZE                         | 128MB                                                                                                                           |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                                   |
| MODULE/BOARD TYPE                | MPU Core                                                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                      |
| FLASH SIZE                       | 256MB (NAND), 8MB (NOR)                                                                                                         |
| DETAILED DESCRIPTION             | OMAP35x Embedded Module ARM® Cortex®-A8, OMAP3503 600MHz 128MB 256MB (NAND), 8MB (NOR)                                          |
| CORE PROCESSOR                   | ARM® Cortex®-A8, OMAP3503                                                                                                       |
| CONNECTOR TYPE                   | Board-to-Board (BTB) Socket - 480                                                                                               |
| CO-PROCESSOR                     | -                                                                                                                               |
